SECTION A - SUPPLEMENTAL INFORMATION  
The purpose of this modification (Mod) is to:

- 1) Incorporate provision to allow for rental of temporary storage of Trailer Mounted Weld Shop Sets (TMWSS), M103A3 trailer Government Furnished Equipment (GFE), and parts from TMWSS and GFE (e.g. tires removed from Government furnished trailers), until time of final delivery or disposition instructions are issued.
- 2) Allow for purchase of insurance coverage on temporarily stored materials away from the contractor's facilities. This Mod in no way eliminates the contractor's contractual responsibility for the securing and safeguarding of the stored units, nor does it change unit price or delivery schedule for the TMWSS units.
- 3) Incorporate letter addressing storage plan, dtd 30 Jul 01 (Attachment 030). Total price for rental of storage space and insurance coverage of \$1M is not to exceed \$9778.00.

The contractor hereby waives any and all rights and claims for equitable adjustment attributable to such facts and circumstances given rise to the incorporation of the above stated change. The contractor specifically waives any and all claims, which it has or may have against the Government related to any delay resulting from the incorporation of the stated change into the contract.

All other terms and conditions remain unchanged.
